Software Decision 2002

You and your team are cordially invited to attend Software Decision 2002.

April 18 –
Capital
Conference
Center,
201 N. Illinois St,
2nd floor
Indianapolis, IN
1 p.m. to 5 p.m.

BKD Technologies brings you a live demonstration of the top 10 mid-market accounting software packages by J. Carlton Collins, CPA, K2 Enterprises. Collins is a nationally recognized presenter of software packages and the author of Guide to Installing Accounting Software Systems and articles in the Journal of Accountancy, LAN Magazine and Accounting Today. Among his accolades, Collins was named one of the “Top Ten CPA Technologists” by Accounting Technologies Magazine. He has installed accounting systems for more than 200 companies and has delivered 1,500+ technology lectures worldwide. Since he does not sell software, you get an objective, independent overview of the accounting packages.

In one short afternoon, you’ll discover the advantages and disadvantages of:

- ACCPAC
 - Advantage, Pro Series
- Best/Sage
 - MAS90/200, Enterprise Suite
- Business Vision 32
- Impact Encore
- Macola Progression
- Microsoft Great Plains
 - Dynamics, Solomon, eEnterprise
- Navision
 - Axapta, Attain
- Platinum
- Some Tier 1 systems

You will get:

- Step-by-step blueprint for selecting high-end accounting systems
- Table of comparative feature data
- Live, unbiased demonstration of key strengths and weaknesses for packages of interest
- Best practices and risks of accounting software implementation

You will also receive *The Essential Guide for Selecting Today’s Business Software*—a complimentary handbook for software purchasing decisions.

Who should attend?

Senior business professionals in the manufacturing, distribution or services industries who want the facts on today’s top accounting software.

Seminar fees:

- \$ 95/person (before March 18)
- \$195/person (after March 18)
